When you click on the training name that you want, the course and its handouts will open in your web browser. From there you can read it online or you can save it to read later or print it if you want a physical copy.

At the end of each course the following can be found:

When you have completed this course, click [HERE](#) to take the test.

When you are finished reading the course, click “HERE” to be taken to the online test. Be sure to read the test questions carefully, complete each field, and click submit. Once your test has been submitted, you will be taken to a new screen that thanks you for your submission, and almost immediately receive an email from “Flubaroo Grader” with your test answers and score. Training certificates are processed, issued and emailed weekly.

Our new online training system will not only save you time and postage, but it will also cut down on the amount of paper used. And no more having to wait until the beginning of the next month to receive your certificates!
