## President's Message

### CACFP TAKE ACTION CHALLENGE

A CACFP Take Action Challenge was launched at the Child Care Food Program Roundtable Conference for everyone across the country. We have often said how important it is to set your day care home apart from the other providers in your area and that being a part of the Child and Adult Care Food Program is an indicator of quality care. Participating in the CACFP Take Action Challenge will be another gauge of quality child care and will definitely help your parents understand your dedication to the health and wellbeing of their children in your care. Even your parents can participate!

This is really a lot of fun. All you have to do is click on the link below and choose a challenge. It could be one as simple as serving a family style meal to the children. This will earn you 500 points! Or you could suggest a challenge and earn another 500 points. You and your children could write and sing a song about the CACFP –an easy 1,000 points!

The categories are:

- Group 1 – CACFP Take Action Launch
- Group 2 – USDA Resources and Best Practice Challenge
- Group 3 – Health and Wellness
- Group 4 – Educate and Advocate
- Group 5 – CACFP Campaign

Wildwood will track all of the points you and your parents earn! We will present awards to the top participants at our conference in August 2016. This is an opportunity to have fun with your kids, impress your parents and help make CACFP better known. It is definitely a Win Win Win for everyone!

When you complete a challenge, again click on the link above and submit your challenge. At the bottom of the form there is a place to enter your Sponsors name.

Just a Reminder... The last day that we can accept **original** November claims or upward revisions is February 23, 2016.

Be sure you and your parents enter Wildwood so that we can track your points.

Good luck and have fun!!
