President's Message

Happy New Year! We have a lot to look forward to this year. The proposed new meal pattern is supposed to be published by, hopefully, late spring. USDA is making sure they read every comment that we submitted. We will have some time to implement, but we are already ahead of the game with the Colorado Healthier Initiatives: serve processed meats only once a week, serve juice only twice a week and serve a whole grain every day.

The Child and Adult Care Food Program has to be recertified every five years by Congress. 2015 is the year that the recertification was scheduled. As of the writing of this newsletter, it is still in front of Congress, but the CACFP will continue to operate until the recertification occurs. Several bills have been submitted that includes good things for the food program. Congress will have to decide what is affordable and what they can give us – keep your finger crossed for good things. We will let you know as soon as the law is passed on what we can expect!

This is the year for our program audit from the Colorado Department of Public Health and Environment (CDPHE). As part of the audit, the nutrition consultants from CDPHE conduct some unannounced visits. There will not be a Wildwood Field Rep with them, as we are not notified ahead of time either. But, as always, you all do an amazing job - so nothing to worry about!

We are looking forward to an exciting year and are so very glad that you are a part of our family.

Kati Wagner

Just a Reminder... The last day that we can accept **original** October claims or upward revisions is January 24, 2015.
