Make tax time easier for your clients

Provide a [W-10 form](#) showing the amount paid for childcare through the year. A blank W-10 form can be found under "Forms and document" for Homes on our website.

Don't let the cold weather give you cabin fever! Try these ideas with your group to keep your blood pumping

- Make a hopscotch on the floor with marking or painter's tape. Show children how to toss a bean bag to each number, then hop to retrieve it and then back to the start.
- Using colorful pompoms and empty wrapping paper tubes, create an indoor mini golf course
- Use couch cushions/pillows to build an obstacle course for children to crawl/climb over, under, around or through
- Bring snow in from outside and let children, scoop, stir or shape it into a mini snowman
- Using a small craft or laundry basket as the hoop, have children take turns tossing pompoms, crumpled paper or bean bags in the basket (Older kids can be farther away than small children)
- Lead children through 3-4 basic yoga poses, talk about focused breathing, and quieting their mind and body (great before nap time)
- When you can get outside with the children, make a snow fort, snowman, or snow angels

Wildwood offices will be closed

Tuesday, December 24

Wednesday, December 25
