CLAIMS

CORNER

We want you to receive the most money you can each month. Claims Corner has useful reminders and hints to help you do just that.

- School is out for many students. Be sure to checkmark these older children as “Out of School” when you enter your daily attendance or enter the dates of summer break in each child’s calendar in KidKare. Children who are not marked “Out of School” will be deducted, as we have no way of tracking calendars for every district.
- The updated Kindergarten forms are ready for you to complete for 2019-2020 school year. Download this form from www.wildwoodonline.org “NEWS” page under “Forms and Documents”
- If you provide care on the 4th of July you must mark your KidKare calendar that you are OPEN. Manual claimers, please make a note on your paperwork if you are OPEN on the holiday.

***The last day we can receive original May claims for processing is July 25, 2019.**

***The last day we can receive original June claims for processing is August 25, 2019.**

For prompt processing, please ensure your claim reaches our office by the 5th of each month. Claims received after the 5th will be processed and paid with the following month because we can only request funds from the state once per month.

NEW Wildwood Workshop:

Starting this summer we have a NEW Wildwood Workshop: Please Pass the Peas; Strategies for Working with Picky Eaters

Program Representatives will be putting on this FUN, Interactive in-person training workshop that covers 2 hours of training to meet your licensing needs (1 hour Social Emotional & 1 hour Nutrition training)

Give our office a call or ask your Program Rep when and where we can schedule a session near you. We will also put this on for County or Regional Groups around CO and WY.
