President's Message

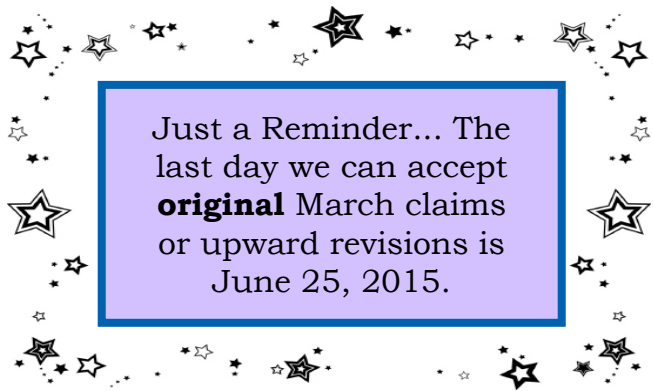

Wildwood is growing and expanding! We have begun working with day care centers and afterschool at-risk groups. For those of you who live in southern Colorado and used to work with Mary Plamer, you will be very excited to know that Mary is now our Manager of Centers. We are working very hard to get more children on the food program, especially the children in at-risk areas of the state.

With new Centers joining the Wildwood team, we are learning all kinds of new rules and regulations that apply to child care centers. This is where we need your help. As per your provider agreement, the prior month's claim is due in our office by the 5th of each month. We have always done our best to continue to process all claims that come into our office through the middle of the month. We need your help with sending your claim into the Wildwood office as soon as you can each month. We will now be processing all of the claims that come into our office by the 10th of each month and will be moving to the 5th of each month by this fall. This will allow Sue, Ginny, and Kristen time to process all of our home claims and our center claims. We appreciate your support and help as we work to feed more children!

Wildwood Conference:

We are working very hard to find a venue for our annual provider conference this August. We had hoped to have the information available for this newsletter, but it has been more difficult than expected to find someplace large enough for all of us! We had 200 attendees last year! Please keep an eye on our website and your email - we will let you know as soon as everything is set!

Just a Reminder... The last day we can accept **original** March claims or upward revisions is June 25, 2015.

We are beginning to gear up for our Provider Conference in August. We will keep you updated as specifics become available. Visit our contact page to let us know what you would like to see at the conference, such as topics, speakers, etc.

Claims Corner

Summer is coming very quickly. Which means that schools will be letting out soon! Be sure to tell us when the school age children are out of school for summer break.

Plan to do fun things this summer like hiking, swimming, visit a farmer's market, go to the zoo, have a picnic!

Internet claimers:

If children that you had previously enrolled are going to return to your care, as they often do, please call or email your Claims Coordinator & have the child(ren) reactivated. Please do not re-enroll them in the computer. Once a child has been in your care their records stay in the computer forever. Email, fax or mail their updated enrollment forms to the office immediately to assure that their record will not fall off the computer again.
